

HOW TO REGISTER WITH US

To join the surgery, you usually have to live within our practice boundary. You can find out if you are by visiting our website, or scan the QR code here:

If you're eligible, you can complete the online patient registration form. Alternatively, visit one of our surgeries and our reception team will be happy to help.

TRIAGE & APPOINTMENT BOOKING

You can request an appointment via our website, Monday to Friday between 8:00am and 5:00pm, at www.guilddowns.nhs.uk, alternatively you can contact us by phone, or visit the surgery in person and either speak to our receptionists, or complete a privacy slip and hand in for our team to submit to the on call doctor on your behalf if you prefer.

All medical requests are then reviewed by a doctor and will either be dealt with directly, or allocated to the most appropriate clinician. This may include a GP, nurse, pharmacist, paramedic, advanced nurse practitioner, or first contact physiotherapist. You may also be signposted to another suitable service if appropriate. Our website can also be used to request test results, update your contact details, or submit other administrative queries. Administrative requests can be submitted via the website 24/7; however, responses will be provided during our opening hours only.

Please note: same-day appointments are reserved for urgent clinical problems only.

ACCESS TO OUR
REQUEST FORM

REPEAT PRESCRIPTIONS

The quickest way to request a repeat prescription is via the NHS App. We are unable to accept requests by phone and so if you're unable to use the app, requests can be made via our website, in person, or by handing in the tear-off slip at reception. Please allow 3 working days for processing.

To reduce medicine waste and ensure safe prescribing, prescriptions cannot be issued early.

If you run out of medication urgently, you can contact NHS 111 online or call 111 for an emergency prescription service. Some pharmacies may also be able to supply medicines in an emergency, though some might incur a fee.

TEST RESULTS

You can view your test results via the NHS App. Alternatively you can submit an administrative request through our website, or contact reception. For confidentiality reasons, results can only be released to the patient they relate to, unless prior permission has been given or the patient is unable to understand the results. Photo ID may be required.

COMPLAINTS & FEEDBACK

Feedback helps us to learn and to improve services. If you wish to share your views and experiences, please speak to a member of staff. If you wish to make a formal complaint, we advise this is done as soon as possible after the event.

Please view our complaints leaflet, website, or ask reception for further details. Please be assured, if you do choose to make a complaint, you will not be discriminated against or subjected to any negative effect on your care.

Do you want to get involved in helping shape our services to best meet our patients' needs? Join our Patient Participation Group.

Our Patient Participation Group meets quarterly to discuss and support the running of the practice, look at the services the practice offers, patient experience and how improvements can be made for the benefit of patients and the practice. The group is open to all patients. Please visit our website or speak to reception for further information.

ABOUT US

We are a large GP training practice in Guildford, operating across three surgeries as well as a dedicated Student Health Centre on the University of Surrey campus. Our team includes 18 GPs, who are supported by a skilled multi-disciplinary team of nurses, pharmacists, allied health professionals, and administrative staff.

Our four sites form the Guildford West and North Primary Care Network, through which we work closely with health, social care, and community partners to deliver coordinated, population-focused care.

OUR MISSION

Our mission is to provide high-quality healthcare with courtesy, friendliness, and efficiency, guided by our core values; compassion, inclusivity, integrity, innovation, sustainability

OPENING HOURS & ACCESSING CARE WHEN WE ARE CLOSED

We are open Monday to Friday, 8:00am–6:30pm, but are closed on weekends and bank holidays.

If you need medical advice when we are closed, please use **NHS 111 online** or call **111**. In a life-threatening emergency, call **999**. You can also attend:

Woking Walk-In Centre

Open 8:00am–8:00pm, 365 days a year
Heathside Road, Woking, GU22 7HS; Tel: 01483 846209

or

Urgent Treatment Centre at Haslemere Hospital
